

## 10 Yield Gushing Energy Stocks

<http://www.energystockchannel.com/>

Energy Stock Channel paired our coverage universe of energy stocks, with Dividend Channel's proprietary DividendRank formula, to bring you this list of 10 top ranked energy dividend stocks. The DividendRank formula considers a variety of data – dividend history & yield, book value, quarterly earnings – and compares it to the stock's trading data to come up with certain calculations about profitability and about the stock's valuation (whether we think it looks "cheap" or "expensive"). The result is this list of the top most "interesting" ideas that merit further research.
